12.45pm	Bringing ideas to life Grant Hayward will outline what companies and employees can do now to make volunteering happen.	Tuanku Bainun Auditorium
1.15pm	Buffet lunch, networking and marketplace	Foyer

Mark Beard, Chief Executive at Beard

Mark has headed up Beard's construction business for the past 28 years, and was recently appointed Vice President of the Chartered Institute of Building. In sponsoring today's event, Mark is keen to help businesses understand how volunteering can contribute to excellent staff development.

William Downing, Partner at Blake Morgan

William is a senior employment law solicitor at Blake Morgan, and volunteers as Chair of Trustees at Homeless Oxfordshire. His voluntary role has helped him think creatively and commercially, and empowered him with the confidence to take these skills back into the workplace.

Katharine Barber, Scheme Manager at Home-Start

Katharine has 15 years' experience in the charitable sector, and now leads the Oxford arm of parenting charity Home-Start. The charity supports vulnerable parents as they learn to cope, and build better lives for their children, and has recently recruited a new Chair.

Clive Johnson, Group Head of Health, Safety and Security at Landsec

Clive spent 22 years in the RAF and is now a member of the senior management team at Landsec. He has championed the company's highly successful CSR and volunteering initiatives, and is also a trustee of the Young Westminster Foundation and the Sure Mind Foundation.

Graham Beith, Branch Manager at Handelsbanken

Graham manages the Oxford West Way branch of Handelsbanken, and is a trustee at Homeless Oxfordshire, and at Wantage Independent Advice Centre. His involvement has really broadened his outlook, making him aware of the real and pressing need locally.

Speakers

Marketplace
