

Thriving in Nature Expression of Interest Form (EOI) 2025

The Thriving in Nature Fund will provide grants to charitable organisations which deliver these results:

- Enhancing **mental or physical health and wellbeing** through engaging with nature, green spaces and the rural environment
- Boosting **rural skills, training, and job opportunities** through engaging with nature, green spaces and the rural environment
- Expanding **access to nature**, green spaces and the rural environment for underrepresented groups.

The grants will promote sustainable practices and help small organisations grow, ensuring Oxfordshire's green spaces are fully used.

Before completing this form and for more information on the fund and general eligibility please look at our [fund guidance document](#).

Hints and tips

Don't spend long on this form; it doesn't have to be full of detail. The purpose is to let us know what you need. Try not to spend more than an hour on it.

If you have received funding from us in the past, you do not need to complete the 'What does your organisation do?' as we will already have this on file. Do tell us of any changes.

To help us match your request to the desired outcomes of our Thriving in Nature Fund, please use this EOI to tell us:

- What you want to do
- Why it needs to be done
- Who you want to help
- How you are going to do it (please include any planned collaborations or partnerships)

Don't worry – if we have any questions, we will be in touch.

If we receive similar EOIs from multiple organisations that indicate they could collaborate effectively together, we may propose this.

The closing date for EOI submission is midday on Monday 2nd June
